

## Raelyn Lee Mikita

### *Meet the artist*

Artist Raelyn Lee Mikita is the talented nine-year-old daughter of our Vice President of Production at Zumar. This year, her favorite subjects in school are science, art, writing, music, and library. When she is not too busy studying, Raelyn plays soccer and is captain of the jump rope team. When asked if she had a favorite sign that Zumar makes, she said she likes all of them—maybe she will grow up to take over her father's position!
